TASTING NOTES

*O*ur first BookMark wine is a delicious, fruit-driven blend of several varieties that flourish in our hot, dry climate. The wine's aromatics are complex, showing subtle scents of smokiness, marzipan, cola, black currants and black berries wrapped in a trace of baking spices and sandalwood. The first sip offers sweet fruit with a mouth coating mid-palate full of berry cobbler, plums and chocolate covered cherries. Secondary flavors of dried herbs, resin, tobacco and bakers chocolate are followed by a lush, lingering finish that is complemented by the natural sweetness and acidity of the wine.

WINEMAKING

The number preceding the NV indicates how many BookMark blends we have produced. For over 28 years we have been crafting wines that are more compelling and interesting than single vintage and varietal wines by employing the centuries-old practice of blending wine lots from multiple vintages (Vertical Blending) with multiple grape varieties (Horizontal Blending). Each lot of wine is carefully selected each year for BookMark based upon the mature flavors of the older vintages and the vibrant fruit characteristics of the younger vintages. The result is a wine that offers, fruit, structure, approachability and exceptional value.
