## DECEMBER SPECIALS

### BOOKMARK WA|1NV

The number preceding the NV indicates how many BookMark blends we have produced. For over 28 years we have been crafting wines that are more compelling and interesting than single vintage and varietal wines by employing the centuries-old practice of blending wine lots from multiple vintages (Vertical Blending) with multiple grape varieties (Horizontal Blending). Each lot of wine is carefully selected each year for BookMark based upon the mature flavors of the older vintages and the vibrant fruit characteristics of the younger vintages. The result is a wine that offers, fruit, structure, approachability and exceptional value.

Kristin took an unconventional road to becoming a chef.

After a fulfilling career in finance, she decided to stay home and raise her two sons. During her 13 years as a homemaker, she taught herself how to cook in order to provide healthy, nutritious meals for her family. Her youngest son was born with severe food allergies, and ultimately inspired her to become a chef. In 2009 she entered culinary school and recently graduated with honors. She is a certified culinarian with the American Culinary Federation, and the Chef & Child Chair for her local ACF chapter. She is passionate about ending childhood hunger and obesity. "Chef K" likes to create familiar food using fresh, local ingredients, with a playful twist. She is from Pendleton, OR and has been married to her husband Blake for 15 years.

J Bookwalter Winery is proud to announce the addition of our new Chef, Kristin Swaggart. Kristin has created a tapas inspired menu utilizing the freshest, local ingredients.
