

2015 | SCARLET HEXFLAME

COLUMBIA VALLEY A.V.A.

*S*trawberries and watermelon invite you into a cold rosé that smells sweet and drinks dry and refreshing. The fresh flavors of cold melon, pomegranate and strawberries are pure and delicious. The purpose driven winemaking created a wine creamier than most in this dry style.

VINTAGE

Vintage 2015 is historic for being the hottest growing season on record. The success of our Washington state vintage was due to our desert's cool nights during ripening in August. A long history with this 1989 vineyard afforded us a predictable harvest in this extraordinary year. Harvested in August and early September, the fruit was full of flavor early with balanced acidity. We protected the fruit from sun burn with a full canopy of leaves. Overall intensity and depth of flavor are the hallmarks of this outstanding vintage.

WINEMAKING

Our rosé was made intentionally from our finest blocks of fruit. Harvested early for low alcohol and higher acids, the Cabernets, Merlot, Malbec, Cab Franc and Syrahs were whole cluster pressed slowly and gently for creamy texture and low color. Fermented cold at 55°F as whole juices in stainless steel, we made a bright light-colored Languedoc-styled dry rosé. We bottled young for freshness.
