

NV15 NOTEBOOK RED

SENSORY NOTES

Our Notebook Red wine is crafted to be approachable and easy to drink. The NV15 is smooth, juicy, with well structured tannins that gives this wine body and weight. Ruby translucent red in color, this wine gives off aromas and flavors of cherry, plum, spice, and soft vanilla. Because we have blended multiple vintages and grape varieties to make this wine, it is far from one noted as it finishes with a touch of savory notes. We can say with confidence that this wine is one of the best values that Washington State has to offer.

WINEMAKING

The number preceding the NV indicates how many Notebook blends we have produced. For over 35 years we have been crafting wines that are more compelling and interesting than single vintage and varietal wines by employing the centuries-old practice of blending wine lots from multiple vintages (Vertical Blending) with multiple grape varieties (Horizontal Blending). Each lot of wine is carefully selected each year for the Notebook Red Blend based upon the mature flavors of the older vintages and the vibrant fruit characteristics of the younger vintages. The result is a wine that offers, fruit, structure, approachability and exceptional value.
