

NOTEBOOK

WA|5NV COLUMBIA VALLEY
RED WINE

TASTING NOTES

*O*ur fifth Notebook wine is a delicious, fruit-driven blend of several traditional red varieties that flourish in our hot, dry climate. Aromatically rich and delicious to quaff, this is an easy drinking dry wine. Unlike so many sweet offerings available today, this dry wine is ready to drink from summer barbeques through winter meals. Rich and fresh flavors make this wine drink well above its price and category. The wine's aromatics display savory 2- and 3-year barrel-aged complexity. There's heaps of red fruits like black cherries, plums, red currants and figs wrapped with resin, caramel, cedar and hints of fresh and dried herbs. Succulent smooth fruit begins, with flavors of baker's chocolate, pomegranate, toast, dried herbs, tobacco and cola finish. The combination of long aged powerful cabernet and fresh fruity young merlot, fill this affordable wine.

RED WINE

VINTAGES

2012, 2013 and 2014

WINEMAKING

The number preceding the NV indicates how many Notebook blends we have produced. For over 30 years we have been crafting wines that are more compelling and interesting than single vintage and varietal wines by employing the centuries-old practice of blending wine lots from multiple vintages (Vertical Blending) with multiple grape varieties (Horizontal Blending). Each lot of wine is carefully selected for Notebook Red Blend based upon the mature flavors of the older vintages and the vibrant fruit characteristics of the younger vintages. The result is a wine that offers fruit, structure, approachability and exceptional value.

APPELLATIONS • VINEYARDS

Vineyards from the Red Mountain AVA, Yakima Valley AVA, and Columbia Valley AVA make up this wine.

FINAL BLEND

74%	Merlot
15%	Cabernet Sauvignon
6%	Malbec
